THE HERMON DUNLAP SMITH CENTER
FOR THE HISTORY OF CARTOGRAPHY
1987
Printed by the University of Chicago
Printing Department

Following numerous requests from *Mapline* readers for an index to the newsletter, we have produced one for issues 1 through 44 which we include with this issue of *Mapline*. The index is arranged by seven major categories, and each entry is followed by the volume number and page number (e.g. 44:2). We hope our readers will find this arrangement easy to use. The work was begun with the help of the Hermon Dunlap Smith Center's excellent volunteer Mary Birr, and was recently completed by the Center's new Assistant Director, Maureen Flanagan, who has put it all on computer. We will endeavor to update the index with every subsequent twelve issues, a task that should be aided considerably by its computerization.
